Dear Delegate,

Welcome to the latest edition of our Port Douglas newsletter, we're excited to share some of our updates and exciting prizes with you all.

The team at C&I Travel Specialists are enjoying working on extension holiday arrangements for many of you, however to date only a few of the expected 'on-line' registrations have been completed on our travel website. **Please assist us by taking the time to register as soon as possible so C&I can start finalising your flight and accommodation requirements for Port Douglas.** If you are unable to access the website please contact C&I on 09 338 8605.

Just by being registered on the trip you are automatically entered into each of these Marley prize draws. Good luck everyone!

From the C&I Travel Specialists Desk

Thank you to everyone who has completed their online registration for Pearlers of Port Douglas 2024, for those who are yet to do so, you still have time.

The C&I Travel Specialists team are available to assist with all of your travel arrangements and holiday plans. Aussie opens the door to many "tailor made" travel extensions. Below are a few ideas to consider and feel free to call Clair (027 299 3135) from the C&I Travel Specialists team to discuss further.

3-night P&O Cruise – ex Cairns:

P&O are offering a 3 night cruise departing Cairns on 01 June 2024, ending in Brisbane. This cruise promises a fantastic experience with a stopover at Airlie beach and one day at sea. A great opportunity particularly for first time cruisers who want a taste of what cruising is all about. Call us to discuss the cruise itinerary, cabin options and pricing.

Silky Oaks Lodge:

If you don't wish to travel much further, but want to indulge in some luxury, Silky Oaks is located in Mossman and is known for its breathtaking natural surroundings and elegant accommodations - Silky Oaks Lodge will provide a serene escape. Let us assist with available dates, activities, and rates.

Murray River Houseboats:

A houseboat journey down the Murray River offers a unique and tranquil experience. This is a self drive option and caters for couples as well as a boat that can accommodate up to 6 people. Call us to check available houseboats, routes, and pricing.

Rottnest Island:

Rottnest Island sits just offshore from the city of Perth, in Western Australia. A protected nature reserve, it's home to the famous "quokka", a small wallaby-like marsupial that always looks like its smiling.

White-sand beaches and secluded coves include the Basin, with its shallow waters, and Thomson Bay, the main hub and ferry port. Strickland Bay is known for its surf breaks, while reef breaks occur at Radar Reef, off the island's far western tip.

If you are lucky, you may spot Chris Hemsworth, who resides in the area and is known to host many of his Hollywood friends at his home.

Barossa Valley:

A trip to the Barossa Valley in South Australia is a delightful experience, especially for wine enthusiasts and those who appreciate picturesque landscapes. The Barossa Valley is famous for its world-class wineries, gourmet cuisine, cycling & walking trails, historical sites, Farmers Markets and charming villages.

We look forward to hearing from you.

MAXPOINTS

A reminder that the first MaxPoints conversion is coming up in November. In November you will receive a form via email advising you of your available balance of MaxPoints for conversion. It's up to you how many (if any) of these points you would like to convert to offset your travel costs. There will be a final MaxPoints conversion offered in February 2024.
