G'DAY!

Only 3 months to go and counting down! Now it's time to work through the final stages in preparation for the group departure on the 26th May.

It's been a great summer and we can all look forward to continued warm weather in Port Douglas in May. Thank you to everyone who indicated they would like to participate in optional tours on Tuesday 28th May. C&I will now be making contact with you to acknowledge your preferred choice & confirm numbers as it will not be possible to partake in more than one tour in a day. More on this overleaf.

During the final months leading up to departure we will be covering a lot of important information in our newsletters, so please read these thoroughly and keep them so you can refer back to ensure you do not miss out on anything of importance.

MAXPOINTS

The second and final MaxPoints conversion has now been completed with all conversions being completed by the 29th February 2024.

SUPPLIER SPONSORED EVENTS

Our Supplier sponsored events are featured on the attached overview of our programme. Please take the time to read this and familiarise yourself with the 17 Suppliers who have given their support to this convention. Their sponsorship allows us to enhance the programme we have put together and to 'add the special touches' that will make this trip even more memorable.

LIST OF SHAREHOLDER ATTENDEES

Please find attached a list of all shareholders attending, including our sponsoring suppliers and NZPM/Plumbing World staff.

A list of the 'Attendee's' will be included in our Port Douglas travel app which you will receive more information on over the coming weeks prior to departure.

Travel website: plumbingworld2024.cispecialists.co.nz

FROM THE C&I TRAVEL SPECIALISTS DESK

As we draw closer to setting off to Port Douglas, one of Australia's true tropical wonders, we thank everyone for their expressions of interest in regards to the optional tours. Whether you have chosen to embark on an active adventure or step into the living history of the Earth's oldest rainforest or simply taking some "me time" and head off shopping at Macrossan Street to explore their many local boutiques and unique art galleries, there is something for all.

Based on your responses, we are now in the process of collating the group sizes & final pricing. The C&I Travel Specialists Team will be making contact to acknowledge your choices & confirming your number of participants. For those who chose multiple options, C&I Travel will require you to respond to our communications with your "first preference", as it will not be possible to partake in more than one tour in a day. These tours will be private and exclusive to Plumbing World, unless lower numbers dictate otherwise.

In the meantime, if you wish to discuss any travel queries or optional tours in more detail, please contact Clair Wilson at clair@cispecialists.co.nz

WHAT YOU WILL RECEIVE PRIOR TO DEPARTURE

Prior to departure you will receive the following items. We will advise you of the dates these will be delivered to your home branch in our coming newsletters.

- Travel wallet and documentation
- Personalised lanyards
- Travel suitcase and backpack
- Luggage tag and strap
- Gift pack from Plumbing World

Things are certainly getting busy as we prepare for departure. There will be another newsletter in March and again in April to ensure all aspects of the trip are covered. We hope all your travel arrangements are coming together well.

Kind Regards
